

DYER VINEYARD SHIPPING POLICY

- By law, all wine deliveries require an adult (21 or older) signature and cannot be left at a residence without an adult present to sign for the package at the time of delivery. If you are sending wine as a gift, please inform your recipient that a special package is being delivered that will require an *adult signature*. We suggest using a business address or selecting a FedEx Store near your recipient's home for added convenience and assurance that your gift will be delivered without issue.
- You will receive an email confirmation, with shipment tracking information, to assist in arranging for delivery.
- We are currently permitted to ship wine to the following states: CA, CO, DC, FL, GA, IA, IL, MA, MO, NC, NM, NV, NY, OH, OR, PA, TX, and WA. You will not be able to complete an online order if you are trying to ship wine to any other state. Please call us at [707.942.5502](tel:707.942.5502) and we can advise you of your options.
- Method of shipping is at your discretion, but we recommend Ground or 3-Day Air during the winter months and FedEx Cold Chain or 3-Day Air during the summer. We apologize, but at this time our shipper cannot use your personal FedEx or UPS account number for billing.
- If you select "Pick up at Main Location" as your preferred delivery method, your order will be available for pick-up at a mutually agreed upon time. Please call or email and let us know when you would like to come and we will make every effort to accommodate you.
